## RE – BEST MANAGEMENT GROUP

*I am the developer of a luxury island resort on Curtis Island, at Australia's Great Barrier Reef. We are now confident of commencing construction soon on a substantial build including hotel suites, villas, food and beverage outlets, conference facilities, guests activities and island infrastructure.*

*The resort will be the realization of many decades of effort my myself, my family and associates and has required enormous resources, energy and persistence to succeed.*

*I first came into contact with David Catterall (Managing Director of Best Management Group) in 1993. In the many years that have passed I have since been in regular contact with David and his team who have provided me with expert advice and assistance on a broad range of development, management and marketing issues. This has included, but not been limited to:-*

- *Tourism and travel market intelligence*
- *Financial Modeling*
- *Strategic Business Planning*
- *Expert resort Design Advice*

*My faith in Best Management Group has been further demonstrated by engagement to operate the resort upon completion, a critically important decision for the development.*

*David and his team are a pleasure to work with and highly skilled in their expert area of hotels and resorts.*

Sincerely,

Tim Reigel  
Managing Director
