TO WHOM IT MAY CONCERN

Duroc has worked successfully with Best Management Group for over ten years now.

Our company manages Status Quo, and David Catterall and his team at Best Management Group have played a key role in successful Australian tours in 2000, 2003, 2006. A further tour for 2010 has now also been confirmed.

We have enjoyed an excellent working relationship with Best Management Group who provide us with local expertise in a broad range of areas including major airline and hotel sponsorships, and dealing with major corporate stakeholders. As we are based in London, it has been a great benefit to work with such a reliable company on the ground in Australia.
