

THE POINT BRISBANE KEEPS IMPROVING

Improvements and extensions are under way at The Point Brisbane, a leading independent hotel located at Kangaroo Point.

Since opening in 1999, the hotel has enjoyed a popular reputation with corporate and leisure visitors to Brisbane.

The first stage of developments will feature a fabulous new restaurant and bar in the hotel lobby. This is due to open early 2011.

Secondly, the hotel will increase its room count from 103 to 202 rooms, with the addition of a second tower. The new tower will complement the current rooms and built to 5 star specifications. Planned opening of this tower is in the third quarter of 2011.

The hotel management, architects and the builders are all Brisbane based. The hotel is privately owned and has been operated by Best Management Group since 2000. Ceccato Hall Architects have been responsible for the project. Hutchinson Builders have now commenced construction work.

For a limited time, the existing restaurant will be relocated to the fabulous Panorama Executive Lounge on the 11th floor of the hotel. The room has magnificent river and city views and provides an intimate executive club atmosphere. All guests of The Point Brisbane will receive complimentary access to the lounge from early morning to late evening.

The property features a range of accommodation choices including traditional hotel rooms, suites and larger apartments suitable for longer stays.

Nearby jointly-managed The Point Residences offers convenient apartment style accommodation popular with longer stay guests. Also close by is Brisbane CBD, The Gabba and The Valley. The Hotel is also within easy access of South Bank Parklands.
