

## **Major Hotel Extension and Upgrades Now Complete at The Point Brisbane**

Brisbane’s undersupply of quality accommodation has received a boost, with a major extension to The Point hotel at Kangaroo Point now complete. The Point Brisbane now boasts a doubling of room stock to 201 rooms, and becomes the ninth biggest hotel in Brisbane.

Hotel operator, David Catterall from Best Management Group said “The Point has a long established reputation and has catered to a customer base comprising a large proportion of business travellers. By expanding the business we have had the opportunity to listen to our guests and tailor the new product to meet their needs and preferences. We read a lot about how Brisbane needs more rooms; but there is more to it than that. Business travellers need a lot more than just a room, so our extension and improvements are multi-dimensional embracing technology, dining and lounging, functionality and comfort.”

Special introductory rates are now available from \$199 per room per night.

Brisbane's leading independent hotel has also opened an all-new Restaurant and Cocktail Lounge and substantially expanded the lobby and public areas.

The new outlets have been designed with the needs of the business traveller in mind. "Over two thirds of guests in the hotel are staying in Brisbane on business. And business travellers really appreciate a comfortable and welcoming bar and restaurant at the end of a busy day" said David.

Meeting and Function facilities have been expanded and upgraded to tailor to the specific needs of the small business meetings market. An assortment of meeting room sizes and configurations are available. The top floor of the hotel, high above Brisbane and with sweeping city views is the magnificent Eagles Nest function room, with 270 degree city views.

The new restaurant has been designed by renowned Brisbane architect Joseph Ceccato with the input of an expert team in operations and design. Constructed by Hutchinson Builders, the result is visually stunning.

The restaurant is open seven days a week for breakfast, lunch, dinner and all day snacks. The hotel offers 24 hour room service.

The Point Brisbane is located at Kangaroo Point and is Brisbane's leading independent hotel. Close by is Brisbane CBD, The Gabba and The Valley. The Hotel is also within easy access of South Bank Parklands.
